# Learning Languages, Building Bridges

## ABOUT US

ChiCeLaCu!, Northern Virginia's first Spanish Immersion Center, has successfully implemented many language programs to date since its inception in 2007. Students learn Spanish by fusing the performing and visual arts with traditional classroom learning. Not only do our students learn to speak, read and write in Spanish, but they also gain an appreciation and understanding of various Latin American cultures.

## OUR PROGRAMS

Spanish for Preschoolers; Spanish After School; Spanish Saturday School, Spanish at Your School.
